

All customer responses must be:

- Clear and non-technical
- Transparent about decision reasoning
- Avoid legal jargon

Templates:

Approval:

“Your dispute has been approved and refund will be processed within 3–5 business days.”

Rejection:

“After reviewing your claim and transaction data, we are unable to approve this dispute.”

Escalation:

“Your case requires additional review by our support team. You will be contacted within 2–3 business days.”

All responses must include reasoning summary from AI agents.
